

Highlights

LifeLock Advantage™ service provides enhanced identity theft protection beyond financial and credit fraud.† We search for falsified court records containing your information to help you avoid arrest for crimes you haven't committed and monitor for fictitious identities using aliases with your Social Security number. We'll also alert you of potentially fraudulent credit card activity and you'll receive access to your credit report and score.

Additional benefits of LifeLock Advantage

- ✔ **Fictitious Identity Monitoring**
Scans for names and addresses associated with your Social Security number in public and credit record sources such as credit grantors, state agencies, and collection agencies to help determine if criminals are building fictitious identities to open accounts or commit fraud.
- ✔ **Court Records Scanning**
Monthly court record checks for matches of your name and date of birth to criminal activity that helps protect you from being falsely associated with arrests and convictions.
- ✔ **Data Breach Notification**
Whether it is the result of internet hackers or careless humans, breaches of confidential information happen at companies, offices and stores where you shop. LifeLock informs you of publicly reported larger scale security breaches and stolen credential events so you can take action to protect your personal information.
- ✔ **Credit Card, Checking and Savings Account Activity Alerts**
Review your credit card, checking and savings account activity in one secure place. Receive alerts for cash withdrawals, balance transfers and large purchases to help detect fraudulent activity.†
- ✔ **Online Annual Credit Report**
Receive online access to annual credit report from a major credit bureau. Allows you to see the details of your credit history.
- ✔ **Online Annual Credit Score**
Receive online access to annual credit score from a major credit bureau. Better understand your credit worthiness with a list of top factors used in determining your score.

LifeLock Advantage protection also includes:
